Term 4 Week 1 & 2

Friday 16th October 2015

Students of the Weeks

Congratulations

Liam Cole!

Congratulations

Gregory Langbien!

School Banking

Students are encouraged to continue saving their money. There are some great prizes offered for every 10 deposits made into the students account.

Principal's Message

It has been a great start to term 4. All students have been learning in happy and settled classrooms.

At this time of year it is always wonderful to sit with students and compare their work from the beginning of the year and to celebrate their obvious growth in knowledge and skills.

The COOEE MARCH COMES TO MUMBIL PUBLIC SCHOOL

Next Friday 23/10/15 we are hosting a visit from a group of people re-enacting the COOEE March of 1915. This has been organised as part of the centenary of ANZAC commemorations.

The purpose of the march is to re-enact snowballing recruitment marches of World War One to encourage remote, rural, regional and urban communities to: remember their history of volunteering, appreciate their former and current volunteers, and to encourage all community members to volunteer in the future.

There will be a short service at the school at 2pm as the school was the site where the march stopped 100 years ago. **ALL COMMUNITY MEMBERS ARE WELCOME TO JOIN THIS EVENT.**

STUDENTS TO DRESS UP

To help make this event more meaningful to the students, we ask that next Friday all students, and parents, dress in costumes that would have been worn in 1915. We will be planning some special activities and games throughout the day to help the students re-live this time in history.

KINDERGARTEN 2016

Last week we welcomed our new Kindergarten students to Mumbil Public School. Kelli-May and Caleb have taken to school like "ducks to water!" They already look grown up in their uniforms and have impressed us with their clever ideas and learning. If you know any other students who will be starting school next year please let us know so that we can include them in future orientations.

YEAR 7 ORIENTATION

As our new Kindergarten students arrive, we also begin to prepare our Year 6 students for their new adventures in learning at High School. Jazmine, Christopher and Gina have continued to enjoy their orientation to Wellington High. On Wednesday they got to learn about liquids and gases by conducting some exciting experiments with a Bunsen Burner and electricity with the Electrostatic Generator. Andy will attend his orientation in Bathurst shortly.

EGGCITING FUNDRAISING!!

One of our 'up and coming' leaders has initiated a new fundraising venture for our school. Greg is selling delicious and healthy fresh eggs for \$3:00 a dozen. Not only is this a bargain, but from this money 50c per dozen sold will go to the school. If you need eggs contact Greg. He would also appreciate donations of any used egg cartons. Well done Greg on a great idea and reliable organisation of your business.

I hope to see you all at the P&C meeting next week. Have a great week!
Dianne Farley

SCHOOL ATTENDANCE

Regular attendance at school for every student is essential.

Parents, a reminder that it is the responsibility of the parent/guardian to contact the school in relation to your student's absences.

ALL ABSENCES WILL BE MARKED AS UNJUSTIFIED UNLESS PROPER DOCUMENTATION IS RECEIVED.

Sun Safe School

The school was successful in winning a Banana Boat Sun Safe Schools pack. The pack included 8 x 400g bottles of kids SPF50+ sunscreen and posters. This sunscreen will be available for students to use at school and during swimming lessons.

Strawberry Milk Sales

Due to an oversupply of flavoured milk there will be **strawberry milk** for sale every lunch time for a special price of \$1. 00.
