## Principal's Message

### End of year activities

We have planned lots of fun and educational activities for the students during the next three weeks. It will be a busy and rewarding time. Please look closely at the attached notes, and calendar, to keep up to date with the exciting activities and **return all notes promptly so that we can organise transport and supervision for events.** We welcome parent involvement in all school activities, so if you would like to join us for any of these events please let us know.

### Swimming Lessons

Mrs Campion has reported that students are working hard during swimming lessons this year. Students have been returning to school telling stories about their great achievements in the BIG pool! It is wonderful to see their confidence and skills growing in the water. We would like to **thank the wonderful volunteer drivers and Mrs Campion** who have made it possible for the students to participate in these lessons. Without their kind support we would not have been able to have lessons this year.

### Car park

Please remember to **PUT CHILDREN'S SAFETY FIRST** in the school parking areas. We ask all parents and carers to approach the parking area with extreme care, encourage children to walk behind parked cars and don't drop children off near the water tank at top of driveway, as this requires cars to reverse down the path that students use to attend school. We are reviewing the car park to make it safer. Please talk to me if you have any practical suggestions that could be considered.

Enjoy the beginning of the Christmas Season,  
Mrs Farley

### Library Books & Home Readers

With the holidays fast approaching we request that all school library and home readers be returned to the school for stocktake purposes asap.

### Presentation Day

**End of year Presentation Day is on Friday 11th December starting at 10.30am at Mumbil Community Hall. Please come along and celebrate our 2015 school highlights.**

**All Welcome!**

### SANTA'S PRESENTS

**Santa will be visiting after presentation day and all parents are asked to purchase their child a gift to the value of \$20 Bring the gifts into the school office on Tuesday 1<sup>st</sup> December so the gifts can be given to Santa.**

### 2016 Enrolments

**The school is taking enrolments now for the start of 2016. If you know of any new starters to our fantastic school for 2016, please encourage them to come up to the school to talk to staff and have a look at the beautiful school we have.**

### Year 6 Farewell/ Graduation

**The year 5 and Year 6 students have been invited to a farewell dinner for our 2015 Year 6 students. Dinner will be at the Wellington Soldiers Memorial Club on Tuesday 8<sup>th</sup> December. Students are to dress in smart casual clothes. Students are to meet at school at 5.30pm and all students will be dropped off at home after the event.**

**School swimming tomorrow All students are asked to bring a pair of long pyjamas to wear over their swimmers as this is a part of their swim safety lesson.**

**Please make sure these are an old pair of pyjamas that children can wear in the pool.**

Christopher Cameron was absent at the time.

Year 6  
continue to learn  
as a life learner,  
and you'll graduate life  
successfully!

Year 6  
We wish you  
the best of  
luck in the  
future!

Year 6 Highlights of our time at Mumbil Public School

- Going to High School transitions.
- Excursions to places where we've never been to.
- We won four times in Waste To Art.
- Mumbil's got some funk V.C.
- Leadership V.C because we get the opportunities to see other Year 6's from other schools.
- Debating with other schools and meeting them.
- I like science because it's fun and we did a great bean project which was fun.
- Art makes me feel happy and I love to draw animals.
- I love how our school gets the opportunity to go and do swimming lessons at the end of the year.
- I love when visitors come into our school and I enjoy showing them around the school.

Year 6 farewell message  
2015 has nearly come to the end. It has been very exciting and joyful and has been very special to me. Also it's nearly time for me to leave Mumbil Public School and I am very nervous to go off to High School. It's hard to let go of a very beautiful school and then go to a new one and have to make new friends. Anyway

Mumbil Public School will always be my favourite and I will never forget all my friends and all my cool teachers. This has been a busy year. I have many memories here in Mumbil Public School that I'll never forget from now and on.

## Year 6 Highlights at Mumbil Public School

- \*Going further in all round sport especially high jump
- \*Winning Waste To Art especially with the Mumbil Mutt
- \*Writing and preforming Mumbil's got some funk song written by yours truly!
- \*I loved debating even the workshop because I got to learn about it
- \*I also enjoy all the different art types we get to practice and do at Mumbil Public School
- \*I also love the opportunity to be able to do swimming lessons and learn lifesaving skills
- \* I love it when special visitors come to the school I show them around
- \* I especially loved the Jenolan Caves excursion so we learnt about the caves
- \* I enjoy High School excursions so that we got a feel for high school life
- \* I love being able to talk through V C so we can talk without being face to face

My Farewell message  
In 3 weeks I'll be catching the High School bus and no longer walking to school. I will miss my teachers and friends. It was so much fun being at

Mumbil Public School. I will never forget the wonderful memories I had here. I have been at this school for 7 years and I wouldn't of had it any other way! Mumbil Public School is a lovely place. Coming to school to see people's lovely faces smiling is so much fun. I'm Sure I will see you all again one day and with High School lingering around the corner I'm getting even more nervous. I grew up at this school so it will always be my school so thank you to all my friends and teachers for your great support all the way through primary school.

Jazmine McCarthy

## Andy's Highlights

- Winning the Waste 2 Art comp 3 times in a row
- Achieving highly in the University of New South Wales tests getting 1 distinction and a few credits
- Preforming Mumbil's own funky song in a special assembly
- Learning how to swim and stay alive near water
- Jenolan caves excursion left us concaved for words
- Sydney excursion to the Centre Point Tower was stunning
- Canberra excursion to the mint showed us how coins are manufactured
- Newcastle excursion showed us how youth hostels work
- Parkes Radio Telescope excursion showed us the cosmos at its best
- Wellington Council excursion showed parliament and the Mayor's chain around my neck

## Year 6 farewell message:

Three weeks to the end of year six and 2015. The year has flown, come and gone. Mumbil has been a great place to be. But I'm going to a different High School with none of my friends. But education comes before

friends and my education is grand. Mumbil will be my school away from school and will stay fresh in my mind.

- Andrew Kirk
