Term 3 Week 8 & 9

Friday 11th September 2015

Students of the Weeks

**Congratulations
Andrew Kirk**

**Congratulations
Gina Gallop**

Principal's Message; PRIMARY EXCURSION TO NEWCASTLE

Last week we had a wonderful excursion to Newcastle. All the students were great representatives of Mumbil Public School. The student behaviour was excellent and they were inquisitive, interested learners. I was so impressed by their enthusiasm and positive attitude. It was an absolute joy to spend the days and nights with students who were cooperative and showed appreciation for the efforts of staff and presenters at our various venues. We all learnt a lot about Australian environments and fauna, exports, the coal industry, transport and the importance of sea transport in our history and present global connections. A very big THANK YOU to Mrs Hanney for her organisation of the itinerary, bookings and 24 hour support throughout the excursion, navigator Neil for his terrific driving of the bus and Mrs Wyner and the Stuart Town students for their company and support.

ACADEMIC SUCCESS

Congratulations to Andy Kirk for his demonstration of academic excellence in two achievements recently. Andy was successful in gaining an offer in the newly established virtual selective high school 'The Aurora College.' It is a highly competitive selection criteria and Andy did exceptionally well to be offered a place. Andy also achieved a **DISTINCTION** in the University Writing Competition. We are proud of Andy's success and yet again Mumbil Public School is showing that it can match it with the best in our Country and beyond!!

SAFETY IN THE CARPARK

Please ensure the safety of our students when you drop off and collect your children from the car park each day. All cars are to park in the spaces provided. **DO NOT PARK** next to the water tanks at the top of the hill as this means you will be reversing in an area where children walk. All students can safely walk from the designated parks. It is only an extra few metres! As the weather warms up it would be great to see more students being walked to school on these beautiful mornings.

LAST WEEK OF SCHOOL FOR TERM 3

As we approach the term three holidays I would like to thank all students, staff, parents and carers for your support throughout the term and wish you all a fun, safe and restful holiday-ready for a great Term4.

P&C Meeting

Next Thursday at 5pm is the next P&C meeting. Please come along and support the students of Mumbil Public School. Look forward to seeing you all there to discuss some great fundraising events.

LIFE EDUCATION VAN VISIT

Next Wednesday the Life Education Van will be visiting Mumbil Public School and students from Stuart Town Public School will join us for our Healthy Harold visit. K-2 students will be learning about healthy food choices and recognising safe and unsafe behaviours. The primary students will focus on cyber safety and building positive relationships with friends online and offline. Harold merchandise will be for sale on the day. Please see attached merchandise form.

Earn & Learn stickers

Earn and learn has now finished, please send all stickers into the school office by Monday 14/9/15 so the program can be finalised and school resources can be received.
