

Attendance

A reminder to all parents and carers to please notify the school when your child has been away from school so the roll can be marked appropriately, and where possible to provide a Doctor's Certificate.

A check over absences is conducted daily at our school and we follow these absences up with phone calls or notes sent home.

Principal's Message SWIMMING CARNIVAL

We had a fantastic day in Dubbo for our Small School's Swimming Carnival. It was great to see our students participating happily in events and encouraging each other to do well. Congratulations to all the students who attended. A special mention must go to CHARLOTTE KIRK who quietly entered herself into the Junior Girls 50m breaststroke and came 2ND in her heat and 3rd overall. Another great achievement for Charlotte! Thank you to all parents who came and supported the students. A special thanks to Jamie for swimming with the students in the 25m races.

FAREWELL TO THE HANRAHAN FAMILY

Tomorrow we will sadly farewell Kaylea, Cecil and Caleb as they move into their new home and school. We wish them all the very best in their future education. We also farewell and thank Sarah who has been an active P&C member and supporter of many school events in her time as a parent at our school. We will miss you all and hope we will catch up again soon.

P&C MEETING

Tonight is the last P&C meeting before next month's Annual General Meeting- where all the positions will be declared vacant. We will be looking for parent and community volunteers to fill some positions, but more importantly the P&C gives you an opportunity to support the students of Mumbil and be involved in your local school. I look forward to seeing you at 5pm.

It is hard to believe we are coming to the end of week 4. Where is this year going? Please talk to your children every night about the wonderful learning they are doing each and every day. We are very impressed with their achievements so far. All the best, Mrs Farley

A reminder to check your child's hair.

Please check your child's hair and treat if necessary. If everyone is vigilant we can reduce the chance of further outbreaks.

Everyone Welcome!
