2 Stars and a Wish

Attached to the back of this week's newsletter is a questionnaire which asks all parents to think about 2 stars and a wish. This means can you tell us 2 things that you think are going well at the school this year- either new or ongoing. Is there something you would like to see happening in the future? a wish! This information will be used to inform our school planning for 2018-2020. Feedback from the information gathered will be given to parents. It would be greatly appreciated if we could get as many of these questionnaires back as possible.
