Term 3 Weeks 4 & 5

Thursday 23rd August 2018

Students of the week

Congratulations
Annabella!

Congratulations
Caleb!

PRINCIPAL'S MESSAGE

Last Friday Variety visited our school to officially hand over our new bus to Mumbil Public School and celebrate with a morning tea with our students and community. MPS students and staff are very grateful for the opportunity we have and the support from Variety, Shirley Ward Foundation and our P&C to gain our own school bus. This provides MPS with the opportunity to visit local schools and activities and allows us to go on extended excursions for a lower cost. I would like to commend MPS students on their behaviour and respect that they demonstrated during this presentation and morning tea.

2018 Springfest is fast approaching and the children and staff are busy creating a double sided flag to be hung in Wellington for Springfest. Keep an eye out for our Mumbil

Public School's amazing flags hanging high during September.

Keeping with our creative theme MPS students are also creating a sculpture for the Wellington Arts & Sculpture Festival. The theme this year is Sound and Movement. The children have been exploring the way in which art can look like it is moving. We are using this theme to decorate glass bottles which will be hung on our new art tree. Our tree will be on show at Hermitage Hill. Come along and check it out during the Art & Sculpture Festival.

Our excursion to Canberra is shaping up to be a fun filled three days. The final agenda will be released closer to the date as we are still locking in some activities and venues. So far some of the things we will be doing are visiting the National Zoo and Aquarium, visiting Telstra Tower and Questacon. Thank you to the families who have started paying this off. We appreciate your commitment to our extra curricula activities and hope that the children will have an awesome time.

Congratulations to Jaiden and Cecil for representing MPS at the district Athletic Carnival last Friday. Both boys did extremely well and represented MPS with pride and respect. Staff

from other schools have rang and passed on the congratulations to the boys and commented on how wonderful MPS students are.

We extend a huge thankyou to our local CWA who have donated \$300 to go toward the fuel costs of our Canberra excursion.

We also would like to say a huge thankyou to our Wellington Lions Club who will be making a donation to MPS next week. Mrs Hanney and Ms Hutchings have been invited to attend their monthly meeting to receive their cheque donation.

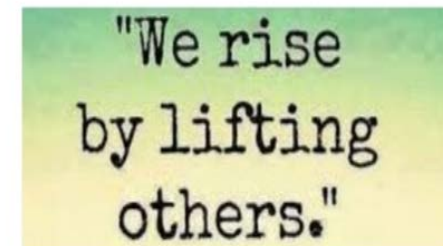

Another huge thankyou to Mumbil Progress Association have also been a committed supporter for our school and students. This year they have kindly donated \$200 for this year's excursion. These donation makes our excursion more accessible to all students by lowering the overall costs.

Mumbil Public School Kindergarten Orientation begins next week. 2019 Kindergarten children will be visiting to MPS over the next 15 weeks of school to get to know the other students and see what Kindergarten looks like. We are excited to get to know our new students who will be joining our beautiful school in 2019.

With Father's Day just around the corner, our P&C will be holding a Father's Day stall on Friday next week. Children can buy a small gift for their Dad or another special person. Gifts will cost between \$2 and \$10.

Reminder we will be celebrating Book Week tomorrow! Parents and families are invited to a BBQ lunch at 1:30pm and will have the opportunity to visit our classrooms to see the fantastic work we have been doing. Our Book Parade will commence at 2:15pm in the assembly area where children will parade their costumes and be asked to share who they are dressed as, the book their character comes from and why they chose that character. We look forward to seeing you all there.

Thought for the week

"We rise
by lifting
others."
